Education

- **Vellore Institute of Technology, Bhopal** Madhya Pradesh, India
B.Tech, Computer Science (Gaming Technology); CGPA: 8.0/10.0 November 2023 – May 2027

Experience

- **CodSoft** Remote
Software Development Intern | Certificate Sep 2024 – Oct 2024
 - Developed a **Number Guessing Game** in C++ with robust input validation and structured exception handling, eliminating invalid input errors entirely.
 - Engineered a **Student Management System** using **OOP** principles (encapsulation, inheritance) supporting full **CRUD operations**, improving data retrieval efficiency by ~40% over a flat-file approach.

Projects

- **MentorBoard | Internship Collaboration Dashboard** React, TypeScript, Zustand, Tailwind CSS
github.com/ashmittt08/MentorBoard
 - Architected a **responsive React + TypeScript web application** simulating internship workflows — task management, standups, and feedback — across **5+ user roles**.
 - Implemented a **drag-and-drop Kanban board** using **dnd-kit** with real-time state sync via **Zustand**, reducing task-update latency by ~35% over prop-drilling.
 - Built **analytics dashboards** using **Recharts** to visualize KPIs (task completion rate, activity trends) and designed **role-based UI/UX** with persistent localStorage state management.
- **EcoVerse AR | Augmented Reality Educational App for Primary Students** Unity, C#, Blender
github.com/ashmittt08/EcoVerse_ar
 - Built an AR-based educational application for primary students using **Unity** and **Vuforia SDK**, enabling interactive learning through 3D models and image target tracking.
 - Developed the UI and application logic using **C#**; optimized 3D assets in **Blender** to improve rendering performance and maintain smooth user interaction.

Technical Skills

- **Programming Languages:** C++, Python, C#, JavaScript, TypeScript, HTML, CSS
- **Frameworks & Libraries:** React, Zustand, Tailwind CSS, Recharts, dnd-kit
- **Tools & Platforms:** Git, GitHub, VS Code, Postman, Blender, Unity
- **Core CS Concepts:** Data Structures & Algorithms (DSA), Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems (OS), AR/VR Development

Achievements, Certifications & Activities

- **Competitive Programming:** Solved **300+ DSA problems** on LeetCode, CodeChef, and GeeksforGeeks — arrays, trees, graphs, dynamic programming, and binary search.
- **Postman API Fundamentals Student Expert** – Certified in REST API testing, request chaining, and API development workflows.
- **NPTEL Elite Certificate** – Human Computer Interaction (HCI): usability principles, user research, and interface design.
- **Social Media Lead, VRGC (VIT Bhopal):** Spearheaded digital outreach for **5+ technical events and workshops**; drove a **20% growth in platform reach** and boosted event registrations through targeted content strategies across multiple social media channels.
- **Music:** Senior Diploma in Instrumental (Guitar), Prayag Sangeet Samiti, Allahabad.
